Eastman Chemical Company and Eastman Credit Union have sponsored this event locally for several years, providing gift cards for the winners and professional framing for those who placed in the competition.

# Graduate and Celebrate

Do you have multiple student loans with varying rates financed at other financial institutions or from other sources? Wouldn't you love the simplicity of one student loan payment at a great rate? ECU can help!

At ECU, we can consolidate your existing student loans into one loan with one payment!

**If you have a student loan financed elsewhere, we'll beat the rate you are currently paying by 1.00%! If you have multiple student loans, we'll use a weighted average of all the rates you are currently paying on each individual loan financed elsewhere, and beat that rate by 1.00%!**

Simplify your life by eliminating student loan payments to multiple lenders and consolidate into one easy monthly payment today!

*Federal Loan Consolidation: Federal student loan programs offer various repayment options, such as deferment or loan forgiveness. If you consolidate or refinance your federal loans with ECU, you will no longer be eligible to participate in these federal programs. For more information, visit [www.ed.gov](http://www.ed.gov).*

## Important Information:

**Promotion available for a limited time. A copy of the most recent statement showing the current rate being paid on all loans to be consolidated must be provided. Minimum rate is 4.50%.
