Annual Member Survey

*ECU Members Say
“Keep doing what you’re doing!”*

With 84.7% of Eastman Credit Union members scoring as Happy Members, members again ranked great service as the number one reason that they do business with ECU.

“The past year presented many challenges to ECU, its employees, and its valued members.

Despite these difficult times, ECU members have remained loyal to the credit union and continue to offer high praise for the friendly, professional, and courteous service they receive from ECU,” said Catherine Lewis, Market Researcher of The Maclean Group in Charlotte, North Carolina.

ECU’s newest location is set to open in July! Located in the Pine Tree Community at 2002 W Loop 281 in Longview, this branch is adjacent to Pine Tree Junior High School.

“We have eagerly anticipated the opening of the Pine Tree branch and service center. We’ve grown our membership in this region, and we are excited to add additional conveniences provided by this location. We are equally as excited to provide additional floors of office space for the expansion of other ECU departments now and in the future,” said Kelly Price President/CEO of Eastman Credit Union.

This three-story facility will offer a full-service branch with tellers, six drive-through lanes, two ATMs, member services, consumer lending, safe deposit boxes, night drop, and notary services on the lower level with additional support and training facilities on the upper levels.
