Thursday, February 6th, was a momentous day for Eastman Credit Union and its members. ECU staff broke ground for a new branch and support center on the West Loop and cut a ceremonial ribbon for their Mortgage Lending Center, located at The Crossings at Main and Main, during a celebration at the Hilton Garden Inn.

"Over the years, I've visited Longview many times. Visiting our branches, I've watched this community flourish and our membership grow. This is an exciting day for ECU and a very exciting day for me as well," said Kelly Price, president and CEO of Eastman Credit Union.

Longview residents, business leaders, and local officials gathered with ECU representatives on the 5-acre West Loop 281 site near Pine Tree Junior High School, which will open in the Spring of 2021.

"We are pleased to announce that this almost 34,000 square foot facility will offer a full-service branch on the first floor,

and the second and third stories will offer space for additional local support staff to assist our branches and the growing membership in East Texas," said Price.

ECU also celebrated the recent Mortgage Lending Center that opened on Nealy Way in the new development adjacent to Loop 281 and Highway 259. The Mortgage Lending Center spans over 4,200 square feet and will also accommodate additional staff during the construction of the new branch and support center.

ECU DONATES \$75K TO ARBORETUM POND

Eastman Credit Union announced a \$75,000 donation on Thursday, February 6th for the Tranquility Pond at the Longview Arboretum during the ribbon cutting for their new Mortgage Lending Center.

"We're excited to contribute to this one of a kind, beautiful nature experience. The Arboretum is truly an asset to the Longview community, and ECU desires to support unique opportunities that help communities grow and thrive," said Kelly Price, ECU's president and CEO.

The Longview Arboretum beside Maude Cobb Event Center is a 26-acre botanical garden that opened in November and features cultivated forests, meadows, gardens, waterways, and walking trails.

"From educational opportunities to community development projects, improving the areas where our members live, work, and play is important to ECU," said Price.

When is the Right Time to Retire?

Retirement is something we all look forward to but knowing the exact right time to retire is often unclear. No matter if you plan to retire at 55 or 67, you'll benefit from planning for it as early as possible.

Financial Representatives with ECU Asset Management can help you plan for retirement and guide you through the many decisions you'll need to make to arrive at the right retirement plan for you.

Please call today for a free consultation with an ECU Asset Management Representative.
