ECU NEWS

New ECU Website

If you've recently visited ecu.org, you may have noticed some changes. That's because our new website is live! We've been working behind the scenes to improve your overall experience, and we believe we've done just that.

Some of the enhancements include:

New Look

We updated the website with our new logo, colors, imagery, and design for a fresh look that better reflects our brand.

Enhanced Navigation

The menu has been restructured to improve navigation, making it easier to access information. You will also notice Personal and Business tabs at the top of the home page to quickly switch between personal and business products and services.

Updated Content

We have updated the content with fresh, relevant information to keep you informed and engaged.

Optimized for All Devices

We've optimized the website for all devices, including mobiles, desktops, and tablets, providing a seamless user experience.

Check out the changes now at ecu.org!
