## Don't Let a Great Mortgage Rate Slip Away!

Mortgage rates are always changing. Wouldn't it be great if you could lock in your rate while you shop for your new home? Well, you can with ECU's Lock and Shop program.

At ECU, when you pre-qualify for a mortgage loan, you can lock in the current rate for 75 days. You can then shop for your dream home, and when you're ready to apply for your pre-approved mortgage, you'll receive the locked rate or the current rate, whichever is lower.

**Visit [ecu.org/lockandshop](https://ecu.org/lockandshop) to pre-qualify today!**

**Important information:** Must apply for a new ECU mortgage loan within 75 days of pre-qualification to receive lower of the locked rate or current rate. Eligible for home purchase transactions only. Limited time offer. Loans subject to credit approval.

Retirement is one of the biggest events you will encounter in your lifetime. You want to feel confident that your years of hard work and savings will ensure a stress-free retirement. There are many factors that go into deciding when is best to retire. It is important to note that everyone's retirement situation is unique. While no single age or method is appropriate for everyone to claim their benefits, certain strategies can be implemented with the goal of maximizing your benefits.

Working with a financial advisor could help you work toward optimizing your Social Security benefits.
