ECU Annual Meeting

The 89th ECU Annual Meeting was conducted in a way designed to allow members to participate by visiting our website or a branch most convenient to them. Members had the opportunity to view the 2023 Year in Review video online, as well as in branch lobbies on Friday, March 15, 2024. Members voted to approve the ECU Board of Directors candidates and the minutes of the 2023 Annual Meeting via ballots that were made available in branches and online between March 4 - March 15, 2024.

Thank you to those who voted and helped to make ECU's Annual Meeting a success. We appreciate your loyalty and support!

Get Pre-Qualified for Your Mortgage Loan

Looking to purchase a new home? It can be an exciting yet stressful experience, especially since it's one of the most significant investments you'll ever make. One way to alleviate some of that stress is getting pre-qualified for your mortgage loan.

By doing so, you can have a clear idea of the maximum amount of loan you would qualify for based on your finances and other information. This step not only helps you understand the amount you can afford, but it also demonstrates to your real estate agent that you are serious about buying a home.

At ECU, our Mortgage Lending Officers can guide you through the process and answer any questions you may have.

Visit ecu.org/mortgage to learn more about ECU's mortgage options and apply for a pre-qualification today!

Did you know you can receive ECU financing on your new car or truck without ever leaving the dealership?

Simply let the participating dealer know you want ECU financing, and you'll receive the same great rates and terms you'd get online or at an ECU branch. Plus, most loans can be finalized on-site!
